## **Nexans organizes training for electricians**

Several training sessions were organized by Nexans Côte d'Ivoire at our various distributors in Abidjan, SOGELUX and DMEIB.

The training sessions took place on 11 and 12 March 2021 with the participation of 90 electricians.

The theme of the training : Sécurité dans une installation électrique selon la norme NF C 15-100

At the end of each training, participation certificates were given to the electricians.
